

## **EASTSIDE CRAFT DELIGHT MEDIA KIT**

We invite you to be a part of this tasting quest to create your very own craft cocktail. After this class you can join the cool kids and be crafty at your next party or event.

This is a DIY craft cocktail classes for the average Joe. Each class will allow you an opportunity to make three drinks. Have a favorite of the three? Make it again or ask the mixologist to craft you up something different from your favorite spirit!

We will provide appetizers from area restaurants to keep you satisfied during your DIY journey.

Each class is small (25 total) to allow for a more intimate hands-on experience.

Tickets available via Eventbright:

Tickets available at \$35.00, group pricing is available.

A portion of funds raised will benefit **Seedling**.

Seedling supports children challenged by parental incarceration with innovative, research driven, school-based mentoring.

## ABOUT METHOD THREE

MethodThree Events brings your vision to life.

Our team creates and achieves the experience you seek. Ranging from a private fundraiser to a full-scale outdoor event. We work with individual, corporate, and non-profit clients to offer a range of planning, project management and design services to fit your needs. No matter the service, we are dedicated to bringing your ideas to life.

Method Three can divide its' services into various areas of focus to fit your needs as not every event or project is exactly the same.

Our team offers a complete and creative solution for private/corporate/nonprofit meetings to turn-key production. We will work with you to define your goals, develop and manage each segment of the event to create without a doubt the "Experience" you seek. You look good, so do we.

## ABOUT THE STUDIO

Located in historic East Austin just a mile from downtown. The StudioATX is a Co-Working space by day and a transformative venue for your event needs. This is a non liquor licensed venue which offers a lot of freedom to bring your own beverages for any type of event such as art openings, photoshoots, product launch, pop-ups, dinners, private tastings and other special events, even those that fall out of conventional times. A clean black & white space allows you to create a look entirely of your own, exceptional sound and light to rival any dance club allowing you to further set the mood and WOW your event participants.

This 1,900 square foot space is entirely enclosed for a completely private event. With two full restroom and fully functioning wet bar.
